Dear Mr. Walker,

I am responding to you memo regarding our Year End Report
(11/28/00-12/31/00).

In regard to item one, our connected organization did not expend any funds for elections. The Wisconsin Right to Life Political Action Committee paid the connected organization, at fair market value, for rental of the connected organization's list. There is nothing remotely illegal about this and the WRL/PAC has been renting the list from the connected organization in this very manner since the mid-1980's.

In regard to item two, the political action committee's rental of the mailing list from this committee was handled in exactly the same way as the rental of the list from the connected organization. It was rented at fair market value from the committee. To do otherwise would have been clearly illegal.

Please refer to the attachments that address the other items mentioned in your memo.

Sincerely,

Richard Fox
